

# KAIROS MOMENTS

A Kairos moment is a time in your life where God's kingdom is breaking into your life and is "within reach." It is an opportunity to grow, if we'll respond to it with repentance and faith (see Mark 1:14-15).

The following questions are designed to help you discern Kairos moments in your life.

## **Reflect on the week/day/hour:**

What happened? What did you do?

Think about the actual moments and events.

- What were the high points?
- What were the low points?
- Did you experience stress?
- Did you experience peace?
- Were there moments of inspiration?
- Were there moments of frustration?
- Were there moments of wonder or joy?
- Were there moments of struggle?
- Were there any breakthroughs?
- Were there moments of failure or defeat?
- Were there any relational conflicts or tensions?

The answers to these questions are all ways God is seeking to break into our lives, and thus they represent opportunities for growth as disciples of Jesus.

We grow as disciples when we discern what God is saying to us through (through the Kairos moment, through Scripture, etc), and then put a plan into action to respond to what God is saying.

***What is God saying to you?***

***How will you respond?***
